**DESIGN HOUSE 2012 ANNOUNCES PARTICIPATING DESIGNERS**

**Charlottesville, VA** – The Shelter for Help in Emergency announces Design House 2012 participating designers.

Each year, and for the third consecutive year, a Charlottesville-area homeowner generously extends the use of his or her residence for the Design House event, the Shelter's signature fundraiser. Designers and their vendors assigned to individual rooms and spaces showcase their talents and the latest in interior and exterior design styles and techniques. The result is a unique tour for visitors, where each space reflects a designer's creative vision and provides endless and inspiring ideas for the home.

Design House 2012, with a full roster of events May 5 through May 20, 2012, provides the public with a rare opportunity to view this beautiful property at 2020 Wingfield Road, which will showcase some of the best designers and artists in our area. It's as much a home design showcase as an art gallery. Tours will be available every day except Tuesdays, with extended hours on Wednesday and Thursday evenings, May 16 and 17. For details about Design House 2012 designers and events please visit [www.CvilleDesignHouse.com](http://www.CvilleDesignHouse.com).

The Shelter for Help in Emergency is grateful for the generous support of Design House sponsors including ACAC, Better Living, Inc., Hantzmon Wiebel, Hunter Smith Family Foundation, Klockner Pentaplast, McGuire Woods and Virginia National Bank. Media sponsors include Albemarle Magazine, Albemarle Family Magazine, Cville Weekly, Cville Abode and WHTJ. Proceeds from the event support the mission and programs of the Shelter for Help in Emergency.

The Shelter for Help in Emergency has provided free, confidential services to victims of domestic violence and their families in Charlottesville and the surrounding community for over 33 years. Design House helps to sustain services and programs while educating the community about the Shelter's work. With Design House, the Shelter for Help in Emergency hopes to offer a tangible reminder of the home we would wish for each person in our community: a haven of love and laughter, free from fear and violence. No matter how different the structures of our dwellings may be, surely they can all share that quality at heart, *because peace on earth begins at home.*
